RE: Open House Fundraiser

Dear Alexandra:

Thank you once again for your support of the horses at the Duchess Sanctuary. Your donation of \$475.00 from the open house fundraiser is so appreciated! It was wonderful seeing you and your Mom at the event, and I'm so glad you were able to meet Debra, and share your books with our visitors. The door prizes you brought down were really popular too, it's such a great thing to share our love of horses with kids, and see them excited about it.

Showing you the new Kubota RTV we were able to purchase with your grant earlier this year was a highlight for me - it's an essential tool that allows us to provide excellent care for the horses, so please accept our thanks once again for making that possible.

A donation receipt for your records is enclosed. If I can write you one for the door prize donations also, please let me know.

See you later in the summer!

Warm regards,

Jennifer Kunz
